ACTIVITY SUGGESTION Before giving this worksheet to your students, review and discuss when we use the 'be' verb in English - the 'be' verb usually comes before: (1) a noun ("She is a student."); (2) an adjective ("She is busy."); (3) a verb + ing ("She is studying."); (4) preposition + place ("She is in the classroom.") It is also found in sentences that use passive voice, but you may want to skip this point for lower level students. We don't use the 'be' verb before another verb; for example, "She studies." ... NOT "She is studies."
